# TAPIOCA AKIO

Tapioca Akio is the pioneer in the southeast region of Brazil and is a reference in the market, so we are present in the main capitals. We are different from other competitors because we are always concerned about the health of those who consume it, which is why our Tapioca does not contain gluten and fat.

# TRADITIONAL TAPIOCA

For more than 10 years in the market bringing quality and reliability, Tapioca Akio is sold in 500g and 1kg packages, the right product to increase your sales.
